

High School PSR Trip 2014

On a recent August weekend some of our PSR high school teens went on a 2 day trip to Cincinnati and Northern Kentucky. They toured a basilica cathedral, celebrated mass at our cathedral and learned about Catholic liturgical practices that stem from our Jewish heritage. In between this hands-on learning, they took in a Reds game, toured the Newport Aquarium and took ride on the Duck! The busy trip ended with a nice dinner and jazz music on a riverboat tour.
